***Cynthia Kane v. Novo Nordisk, Case No.: 3:24-cv-11384-ZNQ-RLS***

Dear Judge Quraishi and Judge Singh,

We write in connection with the Parties' initial Case Management Conference scheduled for July 23, 2025. The Parties jointly request that the following two items be added to the agenda for that conference:

- Update on coordination with New Jersey state court NAION cases;
- Update on Seeger Weiss NAION case filings;

Plaintiffs also intend to update the Court on the recent recognition by World Health Organization and European Medicines Agency of the risk of NAION with semaglutide.

We look forward to the initial Case Management Conference.

Respectfully submitted,

/s/ Christopher A. Seeger
